

Dear parents/carers,

I am delighted to welcome you to Warberry Academy and the Learning Academy Partnership family of schools.

We are looking forward to working with you and welcoming your child to Warberry. Together, we will support your child through their journey, ensuring that they flourish and develop a love of learning. Most importantly, we want them to be happy, feel safe and nurtured as they start their school journey.

We want to collaborate closely with parents, families, and the local community to provide an exciting curriculum so that your child can be the best that they can be, live life to the full and play a genuinely transformative role in society.

We offer an academy for your child that is served by the dedication and expertise of an exceptional team of colleagues committed to developing excellent practice, shared expertise and improving opportunities and life chances for all children. As a parent, you can be assured of personal and academic excellence for your child within a caring, fun, and inspirational curriculum.

We value the unique insight that parents can provide into their children's learning and acknowledge that learning begins and continues in the home environment. We look forward to working in partnership with you as your child thrives.

Our first step is to work with you on your child's transition into school. We will be in touch to gather information so we can register your child; please let us know if you need any support with this.

We would encourage you to visit our website [About Us - Warberry C of E Academy \(warberry-lap.co.uk\)](http://warberry-lap.co.uk) and our school Twitter, Facebook and Instagram pages to get a feel for our school and share with your child the photos so that they can begin to get excited about joining our school community. We will be writing to your child over the Summer Holidays to let them know how excited we are that they will be joining our school!

We will arrange a 1-to-1 home visit with our Early Years teaching team so that we can get to know your child and plan their transition into school together. We will also outline opportunities over the summer term for you to visit the school and attend school events such as our parent induction and a stay and play for your child.

This is an exciting time for your child, and we are so privileged that you have decided to trust us at Warberry Academy with the very precious responsibility of educating your child. Welcome to our school family.

Yours sincerely,

Mr. S. Bone
Head Teacher
