

Tuesday 4th February 2025

Dear Parents and Guardians,

**Space Odyssey Dome Visit to Warberry
Monday 24th February 2025**

We are excited to share that the Space Odyssey Dome will be returning to Warberry with sessions for our Year 5 and 6 pupils. This will be an opportunity for our children to learn about space and evolution in an immersive environment, where they can lay back, look up and wonder at the amazing universe. These sessions help support our science learning and allow the children to find out about the way the world works in a truly unique way.

The Space Dome will visit during the normal school day and each class will have an 80-minute session inside the dome including time to ask some questions of the visiting expert.

To enable the activity to go ahead, we are asking parents for a voluntary contribution of £4.42 which includes the cost of the session and the dome hire. *Please be advised that if do not collect sufficient contributions, the activity may be unable to take place.* Please ensure that your contribution is made by the day of the visit.

You will be able to make a card payment via the MCAS app when it goes Live at 3.00pm today. You will find the payment under Trips – click to enrol and pay. Please note that we are unable to accept cash payments.

Additionally, please make sure you have ticked the consent for trips/visits in the ‘Parental Consents’ tab via your MCAS app. This is essential for your child’s participation.

If you have any questions, please do not hesitate to contact your child’s class teacher.

Kind regards,

Miss Fearon

Year 5 Rowan Teacher
