### Year 6 Geography Fieldtrip – Tuesday 9<sup>th</sup> July 2024

Dear Families,

This half term, children in year 6 will be working geographically to develop their map reading skills. As part of this learning, they will be setting themselves a geographical enquiry question which they will research during a field trip to Torquay seafront.

We will be walking to Torquay seafront and completing this activity on **Tuesday 9<sup>th</sup> July**. We will be leaving at 10.00am and will return at approximately 2.00pm.

Children will need to wear school uniform including sensible shoes for walking. Please ensure they have suncream applied and wear hats or raincoats depending on the weather. As we plan to picnic, the children will need a small backpack with a packed lunch and water bottle.

There will be no cost for this event, but we request that children bring at least 30p in cash for use of the public toilets. Please remember that you will need to collect your child from the venue if they become unwell.

If you can assist on this day, please let us know at the end of the school day.

We are looking forward to an exciting and fun day out!

Kind regards,

*Mrs Smith & Mr Metherell*
