

Dear Parents and Carers

Sun Guidance Policy

Warberry C of E Academy cares very much about our children's safety and follow a Sun Guidance policy; this is to ensure that we can all enjoy the sun safely over the coming months. The sun's rays are particularly strong over the summer and they can damage children's skin. This may not seem like a problem right now, but sadly it can lead to skin cancer in later life.

You can help by:

- Applying sunscreen each morning during the summer months.
- Talking to your child about the importance of sun protection at home
- Sending your child in with a named sunhat.
- Return the sunscreen permission slip at the bottom of this letter.

Together I hope we can have a very happy and safe summer!

Thank you for your support
