

## PE & SPORTS GRANT INFORMATION 2019/2020 Evaluation

PE & Sports Grant Information	
Academy	Warberry C of E Academy
PE & Sports Grant Allocation September 2019– July 2020	£20,060

### Spending Overview :

#### Rationale

The Learning Academy Partnership is dedicated to delivering high quality PE & school sport to all children. We aim to raise standards in PE and equip the children with the desire, skills, knowledge and understanding necessary to lead a healthy lifestyle.

ACTIVITY	COST £	FUNDING CONTRIBUTION	IMPACT SOUGHT	OUTCOME OF FUNDING As of 14th July 2020
Life Education Bus	£1420	£1420	<p><b>Foundation Stage and Key Stage 1</b> (<i>Nursery to Year 2</i>) they learn about <b>keeping their bodies healthy, feelings</b>, being a <b>good friend</b> and the <b>safe use of medicines</b>.</p> <p>At <b>Key Stage 2</b> (<i>Years 3 to 6</i>) the experienced and specially trained Educators help children to consider the effects and risks associated with the use of drugs, including <b>medicines, alcohol and tobacco</b>. In addition, children learn about <b>choices</b> that can affect health and well-being, skills of <b>friendship</b> and how to cope with <b>bullying</b> and <b>peer pressure</b>. Annual Life Education visits will enable children to be better equipped to make healthier lifestyle choices.</p>	<p>Children have deepened their knowledge of the importance of healthy eating, fitness and wellbeing. Children understand more about their own feelings and are able to articulate how they feel to their peers; they are able to empathise with their peers. Children understand the importance of mental wellbeing in themselves and others. Children understand how to maintain and develop healthy relationships and recognise how they impact others. Children understand the importance of healthy life styles and the impact it has on their long term health. They are able to make more informed choices about healthy eating, fitness and their emotional</p>

				well-being. Teachers provided with resources to further develop childrens' knowledge.
Participation in intra and inter school sport (including minibus provision to facilitate travel)	£800	£0	Increased attendance and participation in inter school activities and a wider variety of opportunities on offer to engage more children. Target vulnerable groups (PP, EAL, SEND) attendance in a variety of festivals such as Change 4 life and Active kids athletics days. These festivals are aimed at children that are less active and encourage greater participation in a friendly environment.	Children provided with a range of school competitions such as, cross country competitions, football matches and tournaments, badminton, basketball, trampolining, Winter Games and tag rugby. KS2 children offered specialised football coaching. Vulnerable groups targeted throughout the year resulted in higher participation in a range of sports. The children have participated in a variety of festivals which has resulted in a greater enjoyment of PE. Children have taken part in competitions between LAP schools.
Using local PE support offer from The Spires College	£8900	£8900	To develop the quality of existing PE teaching through continuing professional learning in PE for staff, so that all primary students improve their health, skills and physical literacy, and have a broader exposure to a range of sports. Competitions for able and gifted pupils to provide opportunities to engage in competitions with other talented sports pupils locally. Promotion of healthy lifestyles through eating, keeping safe and physical fitness and raising of self-esteem. To assist schools, parents and children in understanding and valuing the benefits of high quality PE and sport, including its use as a tool for whole school improvement.	All teachers have received quality CPD through trained experts providing excellent PE sessions and planning. Teacher feedback reflected the high quality of PE on offer for the children. Teachers feel empowered to continue delivering high quality PE sessions through an engaging and inspiring PE curriculum. Intra school competitions held at Spires in which all children in the year group participate regardless of prior experience. Teachers have been supported throughout Lockdown to adjust PE sessions to the new government measures, focussing on physical activity and pupil well-being.
To work in Partnership with Premier sports	£8037	£8037	To improve participation in intra and inter school sports. Pupils receive regular coaching from a specialist PE teacher to improve their confidence and their physical and mental wellbeing.	There has been an increased range of competitive and non-competitive sporting opportunities with both primary secondary schools. Targeted group work to develop social skills and well-being of vulnerable children. Running the after school clubs free of charge has broken down the barriers for families unable to

			To improve pupils' knowledge and understanding of how to live a healthy and active life, this may benefit their mental and holistic health.	afford for their child to attend; this had a positive impact on both the physical and social development of our pupils.
Equipment	£500	£0	To leave a lasting legacy for PE. Pupils to enjoy their PE lessons. To improve pupil's confidence and their physical and emotional wellbeing. To learn new skills and build upon prior skills.	Essential equipment purchased to enable participation in school sport competitions, such as goal posts and netball posts. Multipurpose equipment purchased to enable children to access a range of sports during PE lessons.
Training PE leads, CPD training and external training premier sports	£500	£0	To ensure that the PE leads at Warberry have the knowledge and skills to deliver high quality CPD back in school and to support teachers in their delivery of PE lessons.	CPD meetings provided by the PE department at Spires College. Teachers confidence and knowledge has improved through team teaching with the Spires College; delivery of PE has continued to be of a high standard. Teachers have been supported throughout Lockdown to adjust PE to the new government measures, focussing on physical activity and pupil well-being. Teachers working alongside the PE specialists have ensured that they are more confident at teaching PE and that their subject knowledge has improved as a result. The impact of which was a broad and balanced curriculum that met the needs of all children.
Football and netball after school clubs - Premier sports	£2200	£773	Providing children with opportunities to excel in different sports and providing PP children with the same opportunities as their peers. To increase participation in and provision of festivals to ensure that each child has opportunities to engage in cross school sporting activities of a competitive nature.	Running the after school clubs free of charge broke down the barriers for families unable to afford for their child to attend. This has had a positive impact on both the physical and social development of our pupils. PP children have been able to access a wider range of sporting activities and experiences. This has had a huge impact on the confidence, resilience and motivation of the children. This has given our children a sense of belonging and improved their self-confidence. Transferring new skills into PE lessons, the children have demonstrated increased confidence, engagement and ability.

Y6 Residential to PGL Osmington Bay	£930	£930	<p>To ensure that two teachers attend the residential.</p> <p>To improve the provision that we have, for outside learning experiences, further.</p> <p>To support and involve the least active children within additional curricular and extracurricular learning opportunities.</p> <p>To learn new skills and build on their confidence, independence and self esteem.</p> <p>To improve their emotional health and wellbeing.</p> <p>To inspire a love of adventure that will stay with them and help them develop into fit, active and healthy adults.</p>	<p>An increased number of children attended the residential this year. They learned a vast range of new skills and experienced new learning for the first time. Some have been inspired to take up these activities in extracurricular clubs. There was a significant impact on some vulnerable children who showed greater motivation and engagement in learning.</p>
<b>TOTAL</b>	<b>£23,287</b>	<b>£20,060</b>
