

1st October 2021

Dear Families,

It's been another busy week here at Warberry. We have already reached the beginning of October and there is a definite change in the weather. Please remember to make sure your children have a named coat with them and appropriate footwear.

### Harvest Festival

It's that time of year when we start to think about our Harvest Festival. This year, we will be collecting donations of non-perishable items for Riviera Life Storehouse and Torquay Community Larder. From next week, if you would like to donate, please send your child into school with any items and they will be collected from their classrooms. We will be celebrating Harvest with the children during the last week of term. More details to follow.

### Reading

Reading is of huge importance within our school. Within classes, the children have daily reading lessons, or are part of the Read Write Inc programme, as well as daily story time taking place to share a book or listen to the class novel. All our children need to be encouraged to read at home regardless of their level of reading as reading is a skill that continues to develop throughout the whole of a child's education. To further develop your child's reading skills and help to develop their love of reading; talk about books with your child, listen to audiobooks, and read stories to your child. We highly recommend downloading the

BorrowBox app as they have a vast array of free audiobooks which are linked to the library services. Children who are read stories, regardless of their age, have better mental wellbeing, increased listening skills, and a larger vocabulary.
