

12th November 2021

Dear Families,

What a fabulous week it has been at Warberry, this week. The children have been very busy and there has been some wonderful examples of learning throughout the school. I have had several visitors to my office this week sharing their learning.

Bikeability

The Year 5 children have thoroughly enjoyed taking part in their Bikeability sessions during the week. The children have grown in confidence with their cycling abilities as they have ventured from the playground onto the roads. They have learnt how to identify potential hazards whilst cycling on roads as well as how to cycle alongside parked vehicles and with other road users nearby.

Diwali in Nursery

This week in Nursery, the children have been exploring Diwali! They did this by learning what Diwali is, and how it is celebrated. They focused on the story of Rama and Sita and acted this out on their stage, using a variety of props. Towards the end of the week, the children made their very own naan breads by weighing, mixing and kneading the dough. They particularly enjoyed tasting their naan breads too!

TOGETHER WE EMPOWER EXCELLENCE

School Lunches

This week we have celebrated National School Meals Week, the children have enjoyed guessing the names of the fruit and vegetables and having the opportunity to taste some more exotic varieties!

Today, all children who enjoyed a school meal were given a sticker to celebrate National School Meals Week.

Remembrance Act of Worship

Yesterday, the whole school held a virtual Remembrance Act of Worship. We thought about the reasons behind why we have poppies and looked at how Remembrance events are held in other parts of the Commonwealth. It was lovely to hear the children's thoughts of why we hold a Remembrance Service every year and of how important it is not to forget.

Even our youngest children in the Seals and Turtles enjoyed creating their very own poppies, using a variety of materials. They discussed why the poppy is a symbol for Remembrance Day and its significance. They also had the opportunity to explore military uniform and enjoyed trying different items on throughout the day!

Have a fabulous weekend.
