We are thrilled to be able to resume our commitment to offer a range of after school clubs this term. We are committed to providing a rich and exciting curriculum and we believe that our clubs will provide your child with a wide range of enrichment opportunities. Please ensure your child brings their named PE kit in a bag on their club day ready to change into at the end of the school day.

For Years 4 – 6, when possible, we have set the clubs on the year group's PE day, however when these do not coincide, please can the children bring in PE kit in a bag. Please can you ensure that each item is named.

We have teamed up with Torquay United Community Sports Trust who will offer three clubs a week. The Trust runs a number of after-school clubs across South Devon, providing children with an added opportunity to engage in physical activity. Throughout the Spring term, they will be offering Football Clubs for children in Years 3, 4, 5 and 6 and a Multi-skills club for those in Years 5 & 6. This will give the young people the opportunity to have fun whilst learning and improving. They have a thorough knowledge of the curriculum requirements in PE and work in partnership with schools to ensure that they deliver lessons that are imaginative, informative and enjoyable.

On Fridays, the team from Spires College are returning to continue to deliver the incredibly popular multi-skills club which includes a range of activities for children in Years 1 & 2.

Please note the staff from TUCST and Spires currently deliver PE lessons in school and strictly follow the Covid risk assessment set by the school to ensure that all clubs are both enjoyable and safe.

Non-attendance?

If your child misses a club for two weeks in a row, unless there is a medical reason, they will be asked to leave the club and the space will be made available to another child. Why? Signing up to a club is a commitment and we would expect children to honour this. We believe that this is a life skill as well as an expectation.
