

27<sup>th</sup> April 2022

Dear Families

Now the Summer Term has started I wanted to write and tell you about our Sun Guidance Policy. This is to ensure that we can all enjoy the sun safely over the coming months.

The sun's rays are particularly strong over the summer and they can damage children's skin. This may not seem like a problem right now, but sadly it can lead to skin cancer in later life. Your child's health and well being are very important to us and your support is very important if our policy is going to work.

You can help by:

- Applying a good quality, long lasting sunscreen each morning during the summer months.
- Talking to your child about the importance of sun protection at home.
- Sending your child to school with a suitable sun hat.
- If appropriate, return the sunscreen permission slip for whole school day trips.

Together I hope we can have a very happy and safe term to come!

Yours sincerely,

Head of Academy
