We are thrilled to be able to continue our commitment to offer a range of after school clubs this term. We are committed to providing a rich and exciting curriculum and we believe that our clubs will provide your child with a wide range of enrichment opportunities. Please ensure your child brings their named PE kit in a bag on their club day ready to change into at the end of the school day.

We have teamed up with Torquay United Community Sports Trust who will offer three clubs a week. The Trust runs a number of after-school clubs across South Devon, providing children with an added opportunity to engage in physical activity. Throughout the Summer term, they will be offering a multi-sports clubs for children in Years 3 & 4 and continuing their football club for children in Years 5 and 6. This will give the young people the opportunity to have fun whilst learning and improving. They have a thorough knowledge of the curriculum requirements in PE and work in partnership with schools to ensure that they deliver lessons that are imaginative, informative and enjoyable.

On Fridays, the team from Spires College are returning to continue to deliver the incredibly popular multi-skills club which includes a range of activities for children in Years 1 & 2.

Please note the staff from TUCST and Spires currently deliver PE lessons in school and strictly follow the Covid risk assessment set by the school to ensure that all clubs are both enjoyable and safe.

Mrs Hulbert will be running a 2nd set of the Frazoo After School Club for children in Years 5 and 6 with live animals on Wednesdays from 27th April – 25th May . Non-attendance?

If your child misses a club for two weeks in a row, unless there is a medical reason, they will be asked to leave the club and the space will be made available to another child. Why? Signing up to a club is a commitment and we would expect children to honour this. We believe that this is a life skill as well as an expectation.
