

13<sup>th</sup> May 2022

Dear Families,

This week has been another busy week for all of us at Warberry. We have welcomed two Ukrainian children into our school community and they have settled in well and made lots of new friends. Our Year 6 children have been absolutely incredible and we are all very proud of how they applied themselves this week (see below). We have lots of events and trips for the children over the summer term so please look out for dates.

### **Year 5 trip to Spires**

The Year 5 children thoroughly enjoyed their trip to Spires on Tuesday to see their students' performance of Matilda. The students of Spires were on their second run through of the whole show and did a fabulous job. Throughout the performance, the Marlins and Lobsters were beautifully behaved and provided a very high-quality audience for the actors. It was lovely to be able to share this experience with some parent-helpers too – a huge thank you to them for joining us on this trip.

### **Year 6 SATs**

It has been an extremely busy and important week for our Year 6 children as they faced the challenge of completing the end of key stage SATs. Each morning, the children came together to share breakfast and meet their friends in a relaxed environment before completing formal assessments in reading, maths and English skills. We are so proud of how well the children approached these exams as they demonstrated the values of resilience and determination. The Year 6 team would like to thank children and staff from across the school who helped us by accommodating changes to classrooms this week and made sure the environment was quiet. They

greatly appreciated your support. I would personally like to thank the Year 6 team who have supported the children throughout the year especially the last few weeks, and the children who have shown such determination and resilience. Thank you. I hope all enjoyed their well-earned bowling trip today.

## **FLOURISHING FUTURES**

## Coffee morning

The SEND and Family Support team are excited to be able to start regular Coffee Mornings on a Friday at 9am to 10am. The mornings will be a safe space for parents to chat, catch up and meet new and familiar faces each week. Miss Priestley and Miss Kavanagh will be available to answer any questions you may have regarding SEND, family life, provide advice or just lend an ear and are really looking forward to opening the school to our amazing community. We also encourage anyone who is new to the area or looking to connect with Warberry families to join us!

If you have any questions regarding the new coffee mornings, please contact the school office, FAO Miss Priestley.

Have a fabulous weekend.

Mrs K Southard  
Head of Academy
