

20th May 2022

Dear Families,

It has been such a joy to see many examples of our children demonstrating our new school values this week. For example, I had a visit from two of our Year 4 girls who have shown **respect** and **compassion** to others by asking if we could support Water Aid and raise money to help children in countries with no running water. They will be raising money at our Afternoon Tea event next week. Please drop along to their stall and support them.

Collective Worship

In Collective Worship this week we looked at the Parable of the Sower and thought about how this aligns with our new school vision '**Roots to grow, fruit to flourish**'. We discussed how the parable with the flowers growing on the good soil represents people who hear the message and live it in their lives. I was very impressed with how the children were able to relate the parable to our vision and their learning.

Pyjamarama

Last Friday afternoon, the whole school enjoyed snuggling up in their pyjamas to share stories and books to recognise the Book Trust's Pyjamarama event. The focus of the event is to promote the importance of storytelling and bedtime stories; the Book Trust hold the event to ensure that all children have the chance to experience the joy that comes with a bedtime story. Thank you so much for your donations; we raised

over £200 for a special book for each class in the school as well as a generous donation for the Book Trust.
