

29th April 2022

Dear Families,

Welcome back to the summer term. I hope you all had a fantastic break. It has been lovely to see the children return full of smiles and ready to learn. This half term is always an extremely busy one especially for our Year 6 children who have been preparing for their KS2 SATs.

Parent Partnership

From Monday, the Warberry Food Pantry will be available in the foyer. We would welcome any donations of in-date, non-perishable foods. Please feel free to help yourself to whatever you need.

Pupil voice survey

At the end of last term, all the pupils took part in a pupil survey. This survey asked them a variety of questions about their school life. This gives us an excellent opportunity to see how our pupils feel about Warberry Academy and being part of our school trust, as well as any changes they would like to see. You will be receiving a copy of the report which summarises the results of the survey. It was overwhelmingly positive and fantastic to hear from the pupils themselves just what they enjoy about Warberry Academy! They also had some great ideas for future projects and opportunities.

Christian Values

Over the past two terms as a school, we have been working collectively with all our stakeholders- the pupils, teachers, parents and church to create our new Christian Values. Thank you so much to all the parents who filled in the form regarding the values, we were overwhelmed with the response. We are very pleased to share with you that our new Christian Values are-

- **Respect**
- **Honesty**
- **Compassion**
- **Responsibility**
- **Resilience**
- **Community**

FLOURISHING FUTURES

We are continuing to work with the church to consider bible passages and stories that represent our values and are looking forward to making them an integral part of everything we do here at Warberry Academy!

Year 3

In Year 3 this week we started the first of our ICE sessions.

ICE is a charitable education group that deliver sessions to complement our RE curriculum. The children listened intently during the session which afforded them the opportunity to gain an enhanced understanding of Christian values as they are seen through the eyes of practicing Christians. This week, we learnt about why Jesus chose the people he did to be his disciples and we are all looking forward to our next session with Hazel over the coming weeks.

Finally, we are really excited about our visit from Joe Wicks next week. Can you please make sure that all children wear their school P.E. kits (white t-shirt, black shorts or leggings) and a Warberry school jumper or cardigan on Tuesday. We look forward to sharing photographs with you next week. Have a lovely bank holiday weekend.

Best wishes
