

6th May 2022

Dear Families,

Wow! I think that is the only way I can describe this week at Warberry. As I am sure you have seen on our social media, the children had such a fantastic time when Joe Wicks visited. If you haven't seen any of our social media yet Twitter [@WarberryLAP](#) and Facebook [@warberryLAP](#), please have a look. There will be a slide show of the day available on our website on Monday and a further slideshow once the official photographs come through.

Joe Wicks visit

The children had such a fabulous morning on Tuesday. Joe arrived bright and early and all the children (and the staff) took part in a 30-minute workout on the field. The sun was shining and the children joined in with the music. We had some fabulous singing to 'Encanto' alongside the workout. Joe then visited Nursery and held a Q&A session with our Year 5 and 6 children. What a fantastic experience for all our children and what an inspirational man he is!

Year 5 Basketball and Netball festival

Year 5 thoroughly enjoyed having the opportunity to join with other schools in Torquay for a Basketball and Netball festival at Spires. The children took part in a range of assault courses as a warm-up and to help to develop the skills needed to play within the tournament. They then went head-to-head in matches against the other schools. The children were fabulous representatives of Warberry; they were considerate of the other children; ensured they followed the rules of the game at all times; and behaved beautifully whilst at Spires and on the walk to and from school.

Book Trust: Pyjamarama afternoon

Next Friday, we are very excited to be supporting Book Trust and nurturing our whole school love of reading as we host a Pyjamarama afternoon. All children, aside from Year 6 who will be celebrating the end of their SATs, are invited to come to school in uniform and bring their pyjamas to school to change into for an afternoon of reading and story sharing. This is to promote the importance of reading and bedtime stories. We ask for a £1 donation which will go to Book Trust and towards a special book for each class that can be shared.

FLOURISHING FUTURES

CATERING TEAM UPDATE

It has been an exciting term in Catering with lots going on: Pancake Day, Red Nose Day, Easter celebration lunch and the National *Eat them to Defeat them* campaign!

The children loved talking about, and tasting, the different types of vegetables.

Thank you for taking the time to fill in the Parent Questionnaires. Your feedback is important to us, so that we can continually improve our service.

You told us you would like to see our meals, so we have been posting lots of foodie photos on our social media sites (a selection of which are shown below).

You also said:

Less cheese ~ More Vegan options ~ A cold wrap option ~ More Asian food

We have a new menu starting after the Easter break, which will be emailed to you so you can choose and book your child's lunches. By choosing a school lunch you know your child is having a nutritious balanced meal, that is cooked from scratch, using only the best locally sourced ingredients

Look out for our next Children's Choice Theme Day on 19th May, which has been chosen by the children in Newton Abbot & Teign Hub.

Wishing you all a wonderful Easter break!

The Catering Team

Warberry PTA

Our PTA have been extremely busy organising some great events for the summer. Last week, they held a quiz night and managed to raise over £700 for the children. We have been looking at a Forest School provision for the children from September and the PTA have kindly offered to help support the school with this which we are incredibly grateful for. In addition, they have organised a Jubilee Afternoon Tea on Friday 27th May, which we are hoping to start from 2pm. More details of the event to follow. Thank you to everyone who has supported the PTA and we are looking forward to working in partnership for the benefit of the children.

Finally, we know that next week is an important week for Year 6 children as they take their SATs. We have invited all the children to breakfast every morning from 8.15 from Monday – Thursday. They are an amazing group of children who have worked so hard over the last year. We wish them all good luck for next week. Have a lovely weekend.

Best wishes,

Mrs K Southard
Head of Academy
