The Eye of Mogdrod by Derek Keilty

Attendance:

95.94%

Lates: 1

Can we get the attendance up 100%?

Dear Families,

What fabulous first week of Summer 2. The children have come back bright, bushy tailed and ready to learn. With such beautiful weather throughout the week, they have even had the opportunity to do some learning outdoors.

Battle of the Bands

Battle of the Year 3 classes will be continuing over this half of the summer term. It would be great to see every child making an effort to practise and earn points for their class.

In English, we have started our new topic of writing. Throughout the next couple of weeks, we are going to be building up a piece of writing based on 'Theseus and the Minotaur'. This week, the children have had the chance to learn the story and explore a variety of ways to begin their narrative.

In maths, we have been looking at adding and subtracting measurements. This is a build to allow the children to understand how to work out the perimeter of a shape.

In history we have started our new learning topic that will be focussing on 'The Battle of Britain' that takes place in World War 2. The children seem really eager to find out information about this period.

I hope you all have a fantastic weekend,

Miss Harris.

Star of the Week

Autumn

You have come back to school feeling positive and ready to learn.

Presentation Award

Eryn

You have produced a fantastically labelled diagram to show your understanding of the life cycle of a plant.

Important dates: PE days will be on Wednesdays and Fridays. As the weather is getting nicer, please ensure that your child is being sent in with sun cream on
