

## Annex 1 Warberry C of E Academy Attendance Information

Underpinned by our Trust Vision of Flourishing Futures, at Warberry C of E Academy we seek to support all pupils.

Our Christian vision of 'Roots to grow, fruit to flourish' is underpinned by John 15:5 "I am the vine; you are the branches. If you remain in me and I in you, you will bear much fruit." Our children will begin their journey as young seedlings growing from their roots and flourishing throughout the years like a tree bearing its fruit.

We seek to support all families to feel safe, cared for and valued - you all belong here at Warberry C of E Academy

### Who is in place to support?

Your child's teacher is always the first person to speak to about their education and welfare, including attendance.

All staff have had support and development to enable them to be confident in this, we encourage you to speak to any member of staff to gain advice.

For reporting non-attendance, please do contact the school admin team by calling 01803 292642 by 8.30am

Should you require further support, the School Attendance Champion is Mr Bone

Mr Bone can be contacted on the school telephone number: 01803 292642  
In addition, email correspondence can be sent to [warberry@lapsw.org](mailto:warberry@lapsw.org)

Our attendance officer, Mrs Pearce, can also offer attendance support and can often be contacted in the office or by contacting the school on 01803 292642

### Daily Procedure for good attendance.

There are lots of things that support good attendance and having a routine at home really can help. This means that uniform, school bag and/or drinks bottles etc are ready to go in the morning. Having a balanced diet, without too much sugary foods and good bedtime routines can also really support the start of the next day. We support children in school to understand the importance of these, as part of the curriculum. If your child has any worries about school, please talk to their class teacher so that you can discuss ways to work together to support them.

This sets out the times for the start and close of the school day:

Time	Activity
8.25	School gates open and pupils should arrive at school. Registers 'open', class teachers monitor which pupils are physically in school on the register.
8.35	School gates close and <b>learning starts, pupils should be in school.</b> Pupils arriving after this will need to enter via the school office and will be marked as 'L' Late
8:55	Any pupil arriving after registers close but before the end of the session (morning or afternoon) will be marked as 'U' and this will count as an ABSENCE.

- **It is essential for the safety of all pupils that we know if pupils are going to be absent.**
- Parents must contact the school **before 8.30am** if their child is not going to attend school that day.
- Please do this by contacting the school office on 01803 292642 or talking to the admin team at the start of the day.
- The school monitor who is not physically in school and contact parents of any pupils not in school without explanation.
- If the school has concerns about an absence, they have a duty to act in line with Safeguarding Duties; these are set out in: [https://assets.publishing.service.gov.uk/media/64f0a68ea78c5f000dc6f3b2/Keeping\\_children\\_safe\\_in\\_education\\_2023.pdf](https://assets.publishing.service.gov.uk/media/64f0a68ea78c5f000dc6f3b2/Keeping_children_safe_in_education_2023.pdf) ).
- This may include contacting others on a pupil's contact list, contacting Social Workers (if a pupil has one), carrying out a home visit, making a referral to Local Authority Safeguarding Teams, the Police or other agencies.
- The school monitor any pupil who arrives or leaves during the school day e.g. for a dental appointment. There is an afternoon registration after lunch which monitors pupils who are physically in school.
