

Autumn Term Home Learning Menu 2024 - Year 1

Mathematics

- Spend ten minutes each day on Numbots.

English - reading and writing

- Read your RWI book bag book 5 times a week - record this in your reading record (as soon as we receive these, we will send them home)
- Read your core story book once per week (this is the book they have been reading with their phonics teacher)
- On occasion, you may get extra videos, reading sheets or writing practice sheets to support your learning in school

Art/Music

- Explore the artwork in your surroundings. Can you spot any work that uses the primary colours?
- Practice mixing primary colours to create secondary colours.

- We would like you to complete **all the core activities** above (Maths and English)
- Choose a **minimum of 3** topic activities to complete. You can choose which activities you find the most interesting and present them however you wish; PowerPoint, fact file, poster, leaflet, photo, video etc.
- Share your learning with your teacher and class

We can't wait to see all of your fantastic home learning!

History / Geography

History

- Can you make your family tree?

Geography

- Draw an aerial view map of your bedroom.

Science

Materials

- Make a raincoat for your favourite teddy. What material most suitable?

Seasonal changes

- Keep a diary of the weather. What do you notice as the season changes from summer to autumn?

Own choice/project

- Create a fact file/ poster/ video or short presentation about something that you are really interested in. This could be anything from your favourite club, character, sport or music!

RHE/ Computing

RHE

- Make a thank you card for some who is special to you and tell them why they are special.

Computing

- What technology do you have in your house? Do you know how to use it?
