

# Spring Term Home Learning Menu 2025 - Year 6

## Mathematics

- Complete the weekly arithmetic paper.
- Make a revision aid to show the names and properties of 2D and 3D shapes. Include faces, vertices, edges and angles where appropriate.

## English - spelling and writing

- Learn your 10 weekly spellings and include them in a quality sentence.
- How many words can you spell of the Statutory Spelling list for Year 5 and 6? Highlight the ones you can spell.
- Use <https://www.bbc.co.uk/bitesize/topics/zmwmp8mn> to revise key grammar knowledge.

## English - reading

- Read at least 4 times a week and record it in your reading journal.
- Share a story with family or friends who don't usually hear you read.

## Art/Music

Art - research the art of Lubaina Himid and produce a copy or part of a whole piece of her work in your own style.

Music - write a song, maybe an easter song, using an instrument to accompany you.

- We would like you to complete **all the core activities** above (Maths, English and Reading).
- Choose a **minimum of 3** topic activities to complete. You can choose which activities you find the most interesting and present them however you wish; PowerPoint, fact file, poster, leaflet, photo, video etc.
- Record your Home Learning in any way you wish and share with your teacher.
- We would love to see you home learning at any time and will check in with how you are getting on just before half term.

Check-in date: **February 23rd**

Hand in date: **March 28th**

## History /geography

History - make a fact file about a famous suffragette. This can be presented in anyway.

Geography - Find food packaging which shows a wide range of countries of origins and then bring it in. Most obscure country wins!

## Science

Evolution - Research the life and work of Charles Darwin. Why was he a significant but controversial figure in Victorian Britain.

Field work - Go on a fossil hunt!

## Own choice/project

- Create a website on google sites about something we've learnt so far this year!
- Create a SPaG pairs game where a grammatical feature has a matching example card.

## RE

Draw the Aum symbol from Hinduism. Use drawings / explanations to reflect what it might mean to a Hindu.

Can you draw an image that represents salvation?
